150th Anniversary Painting of the Stone Church
South Church — Unitarian Universalist
U. S. Route #1, Portsmouth, New Hampshire

We're in Portland, Me, but I picked this card up in Kittery. Sorry to miss bridge, and I'll host in August.

Some Portland graffiti:

1. What's the similarity between Nancy Reagan and a tampoon?
2. Anyone can pee on the floor, Be a hero, ...

Portland has a marvelous restored old port district. More authentic than Baltimore, Philly, or Boston.

I open 4-NOT. Alan.
